

2017 ESG Program Funding Opportunity

As directed by the California Department of Housing and Community Development (HCD), TCCoC will be recommending up to 2 (two) ESG applications for funding under the 2017 non-competitive Rapid Rehousing set-aside program and up to 2 (two) ESG applications from their service area to participate in the 2016 competitive ESG funding opportunity.

Project Overviews must be submitted by : August 25, 2017 at 11:59 PM.

Please carefully read all of the information below, as well as all referenced materials, prior to submitting a Project Overview.

Emergency Solutions Grant Program (ESG) Proposal Submissions

The California Department of Housing and Community Development (HCD) published the Notice of Funding Availability (NOFA) for the 2017 Emergency Solutions Grant (ESG) on August 3, 2017. Funds available through this NOFA include federal funds that originate with the Department of Housing and Urban Development (HUD) and state funds made available by the State of California.

HCD will only accept ESG funding applications that have been reviewed by, and chosen for recommendation by, the Continuum of Care that serves the geographical area in which the applicant's project is operating or will operate. For information regarding this funding opportunity, visit HCD's ESG Page (Information particularly relevant to the funding opportunities available to providers in Tehama County can be found under the heading "ESG NOFA for the Balance of State (BOS) Allocation and Application Forms".)

Rapid Rehousing Program - Single-Phase Competition

As a Balance of State Continuum of Care in California, TCCoC will be recommending up to two Rapid Rehousing provider applications to HCD for funding. The total amount available to TCCoC for this opportunity is \$182,578. Application summaries submitted under this locally-competitive section will be scored only against one another at a local level, then the application(s) selected will be funded pending threshold requirement review by HCD. Deadline for submission of Project Overviews is 11:59 PM on Friday, August 25, 2017. Applicants will be notified of selection decisions by email no later than Wednesday, August 30, 2017. Selected projects must then submit full applications to HCD before their deadline of September 15, 2017. Providers wishing to submit for applications for consideration for funding under this opportunity should follow the instructions found below.

Emergency Solutions Grant Program - Two-Phase Competition

As a Balance of State Continuum of Care in California, TCCoC will also be recommending up to two provider applications for entry into a regionally competitive opportunity for funding of Emergency Shelter, Street Outreach or Rapid Rehousing projects. Application summaries submitted under this section will first be scored against one another at the local level. Deadline for submission of Application Summaries is 11:59 PM on August 25, 2017. Applicants will be notified of selection decisions by email no later than August 30, 2017. Selected projects will then be eligible to submit full HCD ESG applications for consideration in HCD's Northern Region Balance of State ESG funding competition by HCD's deadline of September 15, 2017. All applications submitted into HCD's Northern Region Balance of State ESG funding competition will be scored against one another and against applications submitted by providers throughout the Northern Region of California. The application will be funded beginning with the highest scoring application until the available funds are expended. Providers wishing to submit for applications for consideration for funding under this opportunity should follow the

instructions below.

Please note:

- All Project Overviews submitted for Rapid Rehousing projects will be first considered for recommendation under the Single-Phase Competition. Those not selected for recommendation in the Single-Phase Competition will be considered for recommendation under the Two-Phase Competition.
- Projects will not be disqualified or scored lower in the local competitions based on amounts requested, although projects may be asked to revise the Total Amount Requested in Project Overviews prior to recommendation to HCD to allow for the most efficient use of funds potentially available to Tehama County's homelessness assistance system as a whole.

Prioritization Policies

Project Overviews will be scored according to the priorities described beginning on page 16 of the Joint Federal Emergency Solutions Grant and California Emergency Solutions Grant Program 2017 Notice of Funding Availability for the Balance of State Allocation and TCCoC's Prioritization Policy.

Submission Instructions:

Submitting a Project Overview for Consideration:

Project Overviews must be submitted by : August 25, 2017 at 11:59 PM.

These instructions can also be accessed by visiting www.tehamacoc.org and clicking the [2017 ESG Program Funding Opportunity](#) link on the homepage under "Provider Quick Links".

1. Download the [Joint Federal Emergency Solutions Grant and California Emergency Solutions Grant Program 2017 Notice of Funding Availability For the Balance of State Allocation from HCD's website](#). Familiarize yourself with the program, the rules, and the eligible activities. Applicants are responsible for following these guidelines, and any projects submitted for review by the TCCoC will that do not meet these requirements will not be considered.
2. Visit www.tehamacoc.org and click on the link for the 2017 ESG Program Funding Opportunity on the homepage under "Provider Quick Links".
3. Download the [2017 ESG Project Overview Template](#). Use the template as a guide to developing your responses to the Project Overview questions.
4. When you are ready to submit your final responses, return to www.tehamacoc.org and click on the link for the [2017 ESG Program Funding Opportunity](#) on the homepage under "Provider Quick Links"
5. Scroll to the bottom of that page and click the button labeled "FY2017 ESG Submission Form"
6. Enter your responses into the Submission Form.
7. Click "Save Record" to submit the form.
8. You will receive a confirmation email at the Primary Contact Email provided on the Submission Form.

To appeal a decision made by the TCCoC regarding recommendations of ESG applications, applicants must submit a request, in writing, to the TCCoC within 5 days of the announcement of the recommendations.
