Opening Script

Please read the following information aloud to the person being assessed:

My name is _____ and I [work/volunteer] for _____. We work with the Tehama County Continuum of Care to help find solutions to housing problems. Consenting to do the assessment and answering the questions means that you will be placed on the list of people or families who might need housing services. The only people who can see your answers are staff at organizations that provide assistance with housing, and they are not allowed to share it with anyone else. Your answers may be used anonymously, though, as part of a count. For instance, a provider might use a count of how many people answered Yes to a particular question to justify the cost of certain services. The assessment questions are written to get some basic information about what your situation is in order to try and match you with any services that could help, and will only be used for that purpose. Most of the questions are just Yes or No, but some ask for a date, or a number. There's no need to give any further explanation of any of your answers. If you don't understand a question, please ask for clarification. If I can't clarify it, I will contact someone who can. You can refuse to answer any question, and it's OK to say "I don't know" if you don't know an answer. It's important that you be as honest as possible so that your situation can be understood completely to best find you the right help.
